BRIEF ABSTRACT OF LETTER.

supposing that the shares or allowances directed to be granted to the other members of the nawabi family were out of the mysore pension ~~but~~ no neither is there any evidence that they were out of the British pension or partly from mysore and partly from British pensions either. 2 From H. H. Bushum Ali Khan, Kennali Petition to Dewan on the same subject.

3 [The main contention of the petitioner is that the shares of pension paid to Hassam Ali Khan, Rachide Bibi & Bibiran Bibi do not come out of the mysore pension of Rs 202 but from the aggregate pension paid by both the Mysore and British Governments and that as the pension paid by the latter Govt has been reduced by one-fourth, the shares payable to the above three persons should also

be reduced. The shares in question formed only one payment of Rs 58 per annum when Sulaiman Khan was alive & that payment was being made by the head pensioner Abdul Kadir Khan out of the aggregate amount sanctioned in his name for the benefit of the family. On the death of Sulaiman Khan, the head pensioner continued the payment to Hussain Ali Khan & as the latter was not giving any shares of the pension to his step-mother Pacha Bibi & his sister Basira Bibi, the Mysore Govt directed that he shd. give Rs 15 to the former & Rs 8 to the latter retaining Rs 35 for his own personal benefit. As contended by the petitioner it is a fact that Sulaiman Khan's pension of Rs 58 was fixed with reference to the whole pension of Rs 352 and was not stated to be a share of the Mysore pension of Rs 202 (1868). At the time this share was fixed, Mysore was under the British Commission and

and the Sanction of the British Govt was necessary not only for the British Share but also for the Mysore Share. The distribution of the total pension among the members of the family was also approved of by the Chief Commr and as both the Shares were intended for the benefit of the family and as the Sanction required for their Continuance & distribution was of the Same authority there was no occasion for Specifying from what pensions the Shares allowed to the Several members were intended to be paid. Subsequent to the Reunion the two Govts have been dealing with questions relating to the respective Shares of the aggregate amount Sanctioned by them and it has all along been assumed that the Share allowed to Suleiman Khan & Others after his death is out of the Mysore pension of Rs 202. It is on this

Serial No.

assumption that orders directing the distribution of the amount of Rs 58 among Hussain Ali Khan Bahra Bibi & Pacha Bibi are based. The questions relating to this pension have never since the Pension been referred to the Residency and it is evident from the Residency letter of 21-5-09 that the only payment made out of the British pension is that made to Fezo Bibi.

4/ 2. In the above circs there seems to be no reason to reconsider the orders already passed. The Mysore pension has been continued in full and the shares payable out of it should also be disbursed in full. As regards the issue of separate PPOs attention is invited to File no 32 of 08 - Serials 7(a) 8 & 11 to 14(a). There is difficulty in preparing PPOs in favour of Hussain Ali Khan & Sher Khan & Hussain Ali Khan himself is not on good terms with either his sister or step mother. The issue of separate

payment orders is therefore the only way to prevent further misunderstanding among the members of the families and the correspondence & appeals to Govt which the misunderstanding will give rise to if allowed to continue. The head pensioner has no hereditary claim to the pension & there can therefore be no objection to the registration of the shares independently in the names of those who are actually entitled to them under orders fixing the amounts payable to them. As there can be no hereditary right to the pension under consideration other than one can arise reasons of loss of prestige or dignity for any revision of the orders passed in G.O. 12.6.09
